Athletics

Youth Sports

All youth leagues have sport-specific playing time requirements. All participants are provided playing time to develop skills and enjoyment of the sport. Coaches in youth sports leagues are certified volunteers. Leagues and programs are available to both boys and girls ages 5–15. Numbers of teams and team

roster sizes are limited. Registration is accepted on a first-come, first-served basis.

Participants registering for league play may register as a returning player for a team in their current age division if they have previously played for that team in that age division. All other players register as a new player and will be assigned to a team at the end of registration period.

All programs and fees are subject to change. For the most current information, visit www.lexingtonky.gov/parks and select athletics or call the athletics office at 288-2900. League locations and playing schedules are subject to change as warranted by the number of registrants.

Convenient Ways to Register

- 1.) Mail or drop-off** completed registration form and other documents with payment to Athletics Office, 545 North Upper Street, Lexington, KY 40508. The athletics office is located in the Dunbar Community Center. Office hours are 8 am–5 pm, Monday–Friday.
- 2.) Register online** with a credit card and e-mail address. If you plan to register online, you must have a user ID and password to use the website registration system **prior** to the online registration date. (Check specific sport dates.) **NOTE:** Adult softball and volleyball league team registrations cannot be processed online.

Scholarships that provide a 50% reduction of registration fees are available to those with financial needs. Scholarship requests require proof of income at time of registration unless previously approved qualifying income documentation has been filed in the current calendar year.

Admission: Free

Last year, more than 30,000 people came together over two days to experience Latin American culture through live musical and dance performances, visual arts, community information tents and authentic cuisine. Presented by Lexington Parks & Recreation and FLACA, this event will mark 15 years of celebrating Latino heritage in Lexington. Friday night is tropical night and will include authentic Latino foods, live music, dancing and fireworks.

Little Goblins

11 am – 4 pm Saturday, October 17

McConnell Springs

Cost: \$5 per child 12 & under (Parents/guardians admitted free)

Youth ages 12 and under can enjoy the Halloween season with fewer scares at Little Goblins Galore. Youth are encouraged to wear their Halloween costume as they

trick-or-treat along a trail filled with friendly characters, many of which you've seen in popular movies. In addition, there will be a petting zoo, carnival games and special entertainment. Food and soft drinks will be available for purchase throughout the day. Little Goblins is brought to you by Lexington Parks and Recreation, Kroger and Bi-Water Farm. For more information, call 288-2900.

Thriller & Halloween Parade

6:30 pm – Dance Showcase

8 pm – Halloween Parade followed by the Thriller dance

Saturday, October 25 (Rain date, October 26)

Robert F. Stephens Courthouse Plaza and downtown Lexington

More than 30 years after Michael Jackson's groundbreaking video first aired, zombies and the non-dead still come together in downtown Lexington to celebrate Halloween by re-creating *Thriller*. The evening will kick off at 6:30 pm with a dance showcase at the Robert F. Stephens Courthouse Plaza. Prior to the *Thriller* dance will be a Halloween parade featuring ghosts, ghouls, superheroes, villains and costumed characters of all kinds. Both the parade and *Thriller* re-enactment will start at Quality and Main streets and proceed down Main Street ending at Mill Street. The dance will occur repeatedly along the route. This event, which has been named a top 10 Halloween destination by USA Today, is brought to you by Lexington Parks & Recreation, Mecca Live Studio and WRFL.

Note: The Thriller dance is open to anyone who is willing to attend required rehearsals and learn the choreography. For participation in Thriller and a rehearsal schedule, contact Sara Flora at sflora@lexingtonky.gov. Any individual or group that is interested in being a part of the Halloween parade should contact Amber Luallen at 288-2925 or aluallen@lexingtonky.gov or download an application from the Parks website.

Fall Facilities

Fall and winter season approaching doesn't mean that the fun has to stop. Continue to enjoy Parks and Recreation's following facilities year-round. Take advantage of these great facilities that are free to the public everyday from dawn to dusk. For a full list of year round amenities check out our website at www.lexingtonky.gov/parks.

Archery

Since our first outdoor archery range opened in 2011, archers from Fayette County and the surrounding counties have enjoyed a quiet and safe place to take aim and practice target shooting. The archery range features 12 targets with three permanently set at 10 yards and the other 9 on skids. There is room for archers to bring commercially-purchased targets to use on the south end of the range. Use of the range is permitted only when the park is open during daylight hours. Use of broadheads, crossbows and firearms are not permitted on the target range. Located at Hisle Park - 3601 Briar Hill Rd.

Disc Golf

Lexington Parks & Recreation offers three 18-hole disc golf courses – one at Shillito Park, one at Veterans Park and at Jacobson Park. There is also a 9-hole course at River Hill Park.

Shillito Park (300 W. Reynolds Rd.) Shillito course is a Mach 3 course with concrete tee pads and alternate pin placements. There are elevation changes with lots of trees. Hole #1 is just to the right of the pool entrance.

Veterans Park (650 Southpoint Dr.) This course was built entirely by volunteers. Like Shillito, there are elevation changes with many trees. Most of the holes are in the woods.

Jacobson Park (4001 Athens-Boonesboro Rd.) This 7,050 feet long course features a

rolling topography and has a lot of variety. The front nine is wooded, with 3 holes in a large pine forest. The back nine is open with stands of mature trees.

River Hill Park (3800 Crosby Dr.) This course features several different elevation changes and plenty of trees. This is a great course to learn how to play and practice your game.

For more information on disc golf, call Parks & Recreation at 288-2900 or visit the Bluegrass Disc Golf Association's website at www.bgda.org.

Dog Parks

Lexington is fortunate to have four facilities where dogs can exercise off leash and not endanger themselves or others. The dog parks are located at Coldstream, Jacobson, Masterson Station and Wellington parks.

Coldstream Dog Park (1850 Pisacano Dr.) is 12-acres divided into two paddocks with one water station. One of these paddocks is designated for small dogs.

Jacobson Dog Park (4001 Athens-Boonesboro Rd.) is approximately eight acres with two paddocks, a tree line, benches and a water station. One paddock is designated for small dogs.

Masterson Station Dog Park (3051 Leestown Rd.) has two paddocks that total 16 acres. One paddock has tree cover and doggie water fountain with benches, while the second paddock is open.

Wellington Dog Park (565 Wellington Way) is approximately six acres. This dog park has two paddocks and a water station near the parking lot.

For more information about how you can become involved in the improving and maintaining of Lexington's dog parks, visit www.friendsofthedogpark.org.

Skate Parks

Berry Hill Skate Park

(3489 Buckhorn Dr.) Berry Hill is Lexington's newest and largest skatepark. The 18,000-square-foot skatepark's features and obstacles are expected to appeal to skateboarders, bikers and skaters of all skill levels. Amenities include a flow bowl, snake run, street section, stairs and rails. Built by Dreamland Skateparks, LLC, one craftsman, Lexington native incorporated Bluegrass-themed elements into the design. Some of the concrete in the skatepark was stamped with horseshoes and stylized to mimic limestone, and one of the metal rails features galloping thoroughbreds.

Kirklevington Skate Park

(369 Redding Rd.) Kirklevington Skate Park is the first of its kind in Lexington. It features a variety of "street" elements for skateboarders instead of ramps and other typical obstacles. This skate park was designed to offer obstacles and components that are different than those found at Woodland & Berry Hill. This facility includes skateable benches, jersey barrier, grinding rail, concrete boxes and a variety of other obstacles for both beginners and more advanced skaters.

Woodland Skate Park

(600 E. High St.) This 12,000 square foot facility features a variety of ramps, platforms, bowls and pipes. It offers a great skating experience for beginners while at the same time it challenges the most experienced skaters. This is a skate park only – not a bike park.

All skate parks are open to the public year round at no charge. We at Parks & Recreation strongly recommend that safety equipment be used at all times and patrons not use the facility during inclement weather. The parks are open dawn-dusk.

Titleist 2 Man

September 14, Gay Brewer Jr. Golf Course, Ky, PGA event

Pumpkin Patch Classic

October 11, Tates Creek Golf Course
\$120 per team (includes cart)

Footgolf

Location: Gay Brewer Jr. Course at Picadome

FootGolf is a unique blend of soccer and golf. It is played with a soccer ball on a golf course. The rules are similar, get the ball into the hole with the least amount of strokes (kicks) possible. The main differences are the cups which are 21 inches in diameter, the ball (#5 soccer ball), shorter holes, and the fact that players kick the ball instead of using a club. FootGolf courses consist of 9 or 18 holes. Players should wear appropriate attire (shorts and shirt) and either indoor soccer shoes or tennis shoes. Cleats are not permitted.

For more information call 859-288-2990.

Twilight fees for all golf courses begin December 1.

Gift certificates make great holiday gifts! Gift certificates for golf courses can be purchased at any of our course golf shops!

Trails

Lexington has many miles of trails which offer a great way to lead a healthier and more active lifestyle. Whether you enjoy hiking, walking, running or biking, these trails allow individuals the opportunity to rejuvenate and maintain ones mind and body all while having fun. Take a trip to one of our nature parks and enjoy bird-watching, star gazing or hiking with your family. Visit one of the trails located in your neighborhood and walk your dog, in-line skate with your children or ride a bike. We encourage you to get out and enjoy the beauty of your local parks and trail system.

There are several types of trails:

A **SHARED USE TRAIL** is paved and designed for activities such as running and walking as well as higher speed activities like bicycling and skating. They are 10 to 12 feet wide.

A **WALKING TRAIL** is paved and is at least 8 feet wide. For everyone's safety, bicycling and skating at greater than a fast walking speed is not allowed on walking trails.

PATHS are narrower than 8 feet and may include sidewalks, gravel paths and grass paths.

HIKING TRAILS are generally single person width, natural surface and for pedestrians only. Hiking trails may range from easy (level grades and shorter distances) to difficult (steep grades and/ or longer distances).

It is recommended that you select hiking trails appropriate for your level of physical ability.
